

2022-2023
Virginia General Assembly
REPORT CARD
17TH EDITION

WHAT IS A FAMILY FOCUSED BILL?

- A bill must relate to the principles of life, marriage, parental authority, constitutional government, religious liberty, or human exploitation.
- A bill must substantially benefit, or harm, the families in Virginia.
- In this report, wherever feasible, the most recent or final vote on a piece of legislation was used.
- Votes for similar versions of a bill were used in place of “Not Voting” where applicable.
- Bill co-patrons were also scored for bills that only received committee votes.

WHAT IS THE PRO-FAMILY SCORE?

The pro-family score is an easy to compare number that represents the percentage of votes a legislator voted pro-family on the selected family-focused bills.

The score is determined by dividing the number of pro-family votes cast by a legislator, by the total number of family-focused bills voted on by the legislator in 2022-2023, and multiplying the result by 100 for the percentage.

November 7, 2023 — the entire House of Delegates and Senate are on the ballot.

**MANY VOICES.
MIGHTY TOGETHER.**

Our voices—Virginia parents, families, church members, and those who cannot speak, including the unborn—were censored, and even erased in 2020.

We can't stay silent.
Speak Up! Virginia is a movement that allows us to speak louder together.
